FOR IMMEDIATE RELEASE

Overnight Closure of Northbound I-405 Connector to Eastbound and Westbound I-105 and Lane Reductions on Eastbound I-105

HAWTHORNE — The California Department of Transportation (Caltrans) announces the scheduled closure of the connector road from northbound Interstate 405 (San Diego Freeway) to eastbound and westbound Interstate 105 (Century – Glenn Anderson Freeway) and lane reductions on eastbound I-105 for concrete grinding and slab repair. The closures are subject to change and are scheduled as follows:

From 9 p.m. Monday, August 27 until 7 a.m. Tuesday, August 28:

- The northbound I-405 connector to eastbound *and* westbound I-105 closed.
- Eastbound I-105 on both sides of the I-405 interchange reduced to one lane.
- Eastbound Imperial Highway on ramp to eastbound I-105 closed.
- The eastbound El Segundo on ramp to northbound I-405 will remain **open**.

There is a possibility that the work may require a second night of the same closures from 9 p.m. Tuesday night until 7 a.m. Wednesday morning. If a second night is required, that notification will be posted on our Twitter site at: twitter.com/CaltransDist7.

Please go to our Planned Lane Closure web page for confirmation of each night's closures at <https://lcswebreports-new.dot.ca.gov/SearchPreAction.do?district=7>.

Detour: traffic may exit northbound I-405 to westbound or eastbound Imperial Highway. Traffic on eastbound Imperial Highway can rejoin eastbound I-105 at the Freeman Ave. on ramp (east of Hawthorne Blvd.)
